Payment of Purchases

Multiple buyers per lot are accepted and each buyer will be responsible for an equal portion of the sale unless otherwise stated. Non equal portions will be adjusted after the sale. We accept Visa, MasterCard, Discover Card, American Express and checks. All sales are subject to a 5% processing fee which is deducted from exhibitor’s final auction check. Once you are awarded the winning BID, you will be sent instructions on how to complete your purchase. Please make sure to complete the disposition instructions carefully in order to ensure that your animal is processed correctly. Changes to the disposition section will result in a \$40 change fee.

Add-Ons

A buyer may add a minimum of \$20.00 to an exhibitor’s auction check online. Add-ons will be accepted through July 5th, 2020. Add-ons will be charged a 5% processing fee which is deducted from the add-on amount.

You have just purchased an auction animal.

You will receive instructions on how to complete your purchase after you are awarded the winning BID and you will have several choices to make regarding the disposition of that animal:

Option 1: Donate your animal to the Don Diego Junior Livestock Auction Scholarship Fund.

Select the “Donate to Don Diego Junior Livestock Scholarship Fund” option. No more action is required.

Option 2: Sell to Packer.

Check the box marked “sell to packer.” The packer price will be deducted from your final invoice. You will not take possession of the animal. No more action is required.

Option 3: Send your animal to be processed.

Prices include: Transportation to the processor, feed, harvest of animal, refrigeration of carcass, delivery of carcass to custom processor of your choice. You must also select the Custom Processor where your meat will be cut and wrapped: Cliff’s Custom Meats, Scotts Meats, Specialty Meats, Tip Top Meats, Hottinger’s Meats

SUPPORTING THE DON DIEGO JUNIOR LIVESTOCK AUCTION SCHOLARSHIP FUND

The Don Diego Junior Livestock Auction Scholarship Fund encourages you to support scholarships for youth in agriculture by selecting the “Donated to Don Diego Junior Livestock Auction Scholarship Fund” option once you have purchased an animal. Animals donated to this fund will be sold to the processor to generate revenue for scholarships for deserving 4-H and FFA members. Your donation is tax deductible.

Preparing to Buy a Quarter of Beef

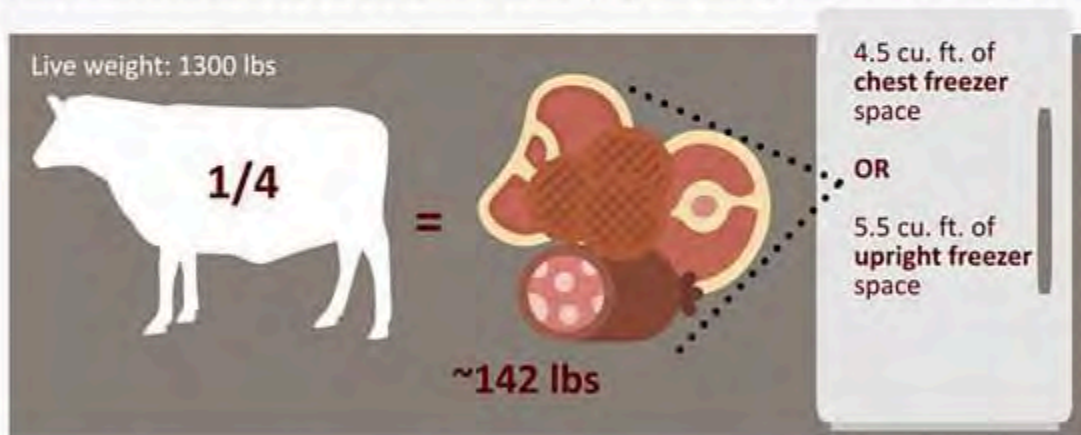

How much meat is a quarter of a beef?

Meat from a typical quarter of a beef with a live weight of **1300 lbs**:

Cuts and quantities of meat will depend on the animal and processor.

How much cooler/freezer space do you need?

What costs should you expect?
