# Welcome TO THE 2024 JUNIOR LIVESTOCK AUCTION

Dear Auction Buyers,

Welcome to the **2024 San Diego County Fair Junior Livestock Auction**. Whether it's a first-time experience for a family bringing an animal to the Fair, or a several generations deep tradition, there is something special about showing at the San Diego County Fair. Our 4-H, FFA and Grange exhibitors represent the hard work and dedication that has been a core value of our Fair since we hosted our first livestock auction 74 years ago. These projects encourage youth development, and we appreciate your support to the exhibitors as the auction rounds out the end of their project experience.

To our returning buyers, thank you for your continued support. To our new buyers, thank you for attending our auction and coming out to support these exhibitors; you are in for an action-packed, fun-filled day. Please do not hesitate to reach out to any staff member if you have any questions or need assistance during the auction. Once again, thank you for attending the **San Diego County Fair Junior Livestock Auction**.

**Rachelle Weir**

*agriculture, arts & education director*

# HOW THE AUCTION WORKS

---

The following pages will list all market animals by number in the following order of sale: Goats, Steers, Small Animals, Lambs, Hogs. The animal's weight, owner's name and affiliation (4-H, FFA or Grange) will be listed.

The auctioneer will ask for bids in price-per-lot, with the exception of beef & hogs which will be auctioned at a price-per-pound. You can estimate the total price by multiplying the animal's weight by the price-per-pound. You may bid on as many animals as you would like by raising your buyer card. The bidding continues until a high bid is reached. A runner

will bring a sales invoice to you for completion. Please see sample sale invoice and consult auction staff if you need assistance or additional information.

## YOU HAVE JUST PURCHASED AN AUCTION ANIMAL

---

You have several choices to make regarding the disposition of that animal:

**OPTION 1** • Donate your animal to the Don Diego Junior Livestock Auction Scholarship Fund. Check the box stating "Donated to Don Diego Junior Livestock Scholarship Fund." No more action is required.

**OPTION 2** • Sell to Packer. Check the box marked "sell to packer." The packer price will be deducted from your final invoice. You will not take possession of the animal. No more action is required.

### RESALE PRICES

Hogs	\$0.65 per pound	Lambs	\$1.70 per pound	Goats	\$2.50 per pound
------	------------------	-------	------------------	-------	------------------

**OPTION 3** • Send your animal to be processed. Prices include: pick up at the fair, feed, harvest of animal, refrigeration of carcass, delivery of carcass to custom processor of your choice. You must also select the Custom Processor where your meat will be cut and wrapped: **Hottinger's Meats**, **Scott's Meat** or **Cliff's Custom Meats**.

**OPTION 4** • Take the animal to your home and arrange for harvest and custom processing on your own. You must select "self-haul" and indicate who will be transporting your animal and their phone number. This procedure meets the requirements of California Department of Food and Agriculture Regulations, Chapter 4, Article 1, Section 900.

## PAYMENT OF PURCHASES

---

Multiple buyers per lot are accepted and each buyer will be responsible for an equal portion of the sale unless otherwise stated. Non equal portions must be adjusted when the runner brings the sales Invoice to the buyer. We accept Visa, MasterCard, Discover, and American Express. The fair will accept business checks. All sales are subject to a 5% commission fee which is deducted from the exhibitor's final auction check. Please sign the sale invoice and make sure to complete the disposition section carefully. Changes to the disposition section will result in a \$40 change fee.

**All auction purchase payments due day of auction.**

## ADD ONS

---

Additionally, a buyer may add (minimum of \$25.00) to an exhibitor's auction check by submitting an add-on through the online add-on ShoWorks system. Add-ons will be charged a 5% processing fee which is deducted from the add-on amount. No add-ons will be accepted for non-auction animals. Add-Ons will be accepted as soon as the sale order is ready (typically the day before the sale) and closes on-line June 29 at 9:00 pm.
