DIVISION 4802: FIRST® ROBOTICS COMPETITION (FRC)

PARTICIPATION: School or Community Robotics Teams – Teams may have more than one robot attend the event, but robots must be names differently (e.g. Robot A 1234, Robot B 1234, etc.)

GAME: FIRST® in Show, Crescendo

FIELD: Official FIRST® Field. Minor modifications may be made due to size limitations of the venue.

AWARDS: First, second, and third place teams will receive a banner.

IN-PERSON PLANNING MEETING: Organized by San Diego teams.

Saturday, June 1, 2024, from 9:00am to 10:00am at Poway High School room N3016
(Virtual option will be available for out-of-town teams).

One representative from your team must attend the meeting to coordinate field elements, set-up/take-down, and load in/out, and to receive parking passes and entry tickets. Parking passes and entry tickets will be mailed to out-of-town teams.

PIT SET-UP: Each team will be provided (1) 36" x 84" table and (2) chairs. Teams to provide their own plug strips/extension cords (electrical outlets available in the Sound).

TEAM-PROVIDED VOLUNTEERS: Each participating team must provide (2) volunteers for the duration of the event. A follow up email will be sent to by June 3, 2024, with a sign up for volunteer roles. Team volunteers will receive (1) free event t-shirt each, and (1) \$20 food voucher per day of volunteering.

TEAM T-SHIRTS: Event T-shirts with Team names will be available for purchase at registration.
