## Judging

Design in Wood is a two-tier, juried competition that uses the American system of judging.

**Tier 1 Judging** of exhibitors' uploaded digital images determines which entries will advance to Tier 2 judging. Exhibitors will be notified via email with the results of the Tier 1 judging per the Entry Timeline. Entries advancing to Tier 2 judging must be prepared and delivered per the requirements described herein.

**Tier 2 Judging** takes place onsite, where judges view the entry in person and select award winners.

### **Judging Criteria**

Entries are judged on design integrity, understanding and use of materials, use of form and color, overall craftsmanship, appearance, and quality of finish.

### **Judging Results**

Results will be announced at the Design in Wood Awards Reception and posted on the San Diego County Fair's website by the second week of the Fair.

## **Entry Delivery & Pickup**

Only entries accepted to Tier 2 judging may be delivered to the Fairgrounds. Please refer to the Exhibition Timeline for in-person delivery and shipping acceptance dates. If accepted to Tier 2, exhibitors will be emailed additional delivery and pick-up instructions including **a map** showing access to the Fairgrounds. Exhibitors must bring necessary tools, equipment, and/or personnel to unload and place entries within the exhibit.

A claim check will be issued to each exhibitor upon entry delivery and must be presented at the time of entry pick up. If an exhibitor is unable to pick up their artwork, they may arrange for another person to bring in their claim check with a signed written authorization from the exhibitor.

Exhibitors must bring necessary tools, equipment, and/or personnel to remove entries from the exhibit space and load to exhibitor's vehicle.
