

The **San Diego County Fair's Student Showcase Exhibit** provides an inspiring and engaging space where creativity and modern education come to life and highlight the exceptional talents of students from across the San Diego County. The exhibit offers visitors an eye-catching array of skillful entries and offers students the opportunity to win ribbons and other awards.

Competition Timeline

Entry Registration Deadline	Monday, May 11, 2026, by 11:59pm
Digital Upload Deadline For these categories only: Drafting & Architectural Design, 2D Fine Art, Graphics, Photography, and Video & Animation	Monday, May 18, 2026, by 11:59pm
Entry Delivery to the Fairgrounds – All except Literary Publications	Friday, May 22, 2026, 12:00-6:00pm and Saturday, May 23, 2026, 9:00am-4:00pm
Entry Delivery to the Fairgrounds – Literary Publications only	Sat., June 6, 2026, 9:00am–4:00pm
Fair Dates	Wednesday, June 10, – Sunday, July 5, 2026 (closed Mondays and Tuesdays)
Student Showcase Awards Reception	Saturday, June 20, 2026, 1:00pm
Entry Pick-Up	Tuesday, July 7, 2026, 9:00am–4:00pm

Eligibility

- Teachers from San Diego County schools or programs entering **middle school** student projects completed during the 2025/2026 school year.
- Entries must be work completed by the student whose name appears on the online entry registration.
- Work, or nearly identical work, previously shown at the Fair, regardless of title, is *not* eligible.

- Any work created by *generative* Artificial Intelligence (AI), either partially or completely, is *not* eligible. Please see detailed Use of Artificial Intelligence (AI) Rules below.

Tell Us Your Story!

We want fairgoers to meet the awesome teachers behind our incredible student projects at the San Diego County Fair! [Send us a short bio and a photo](#) so we can introduce *you*: your hobbies, favorite pastimes, what sparked your love of teaching, or anything that shows off your personality.

Your bio and photo will be displayed right next to your students' work in the exhibit, giving visitors a chance to see the creative minds who help inspire it all.

Estella Vazquez, [Student Showcase Coordinator](#)

San Diego County Fair Entry Office

2260 Jimmy Durante Blvd, Del Mar, CA 92014

Office (858) 792-4207 - Mon-Fri 10:00am – 4:00pm

2026 Local Rules

1. Completion of online entry registration shall be deemed acceptance of all rules and permission to use your name, photograph, and images and description of entries in print, digital and other media.
2. Online registration is required for all competitions and one-day contests. Online entries and any required image/document uploads are accepted until the published deadline, which specifies a date and time. Late entries will not be accepted.
3. Once registered, the exhibitor name, entry description, title, and price may not be changed. Substitutions will only be allowed in accordance with current State Rules. Fair Management is not responsible for errors on entry forms which may lead to elimination or disqualification of an entry.
4. Processing fees must be paid online at the time of registration. Processing fees are non-refundable.
5. Exhibitors must be living at the time the online entry is submitted.

6. All non-livestock/non-agricultural entries must be the creative work of the exhibitor (whose name appears on the entry registration), be in good taste, and suitable for family viewing. Fair Management reserves the right to disqualify any entry/exhibit it deems objectionable or not in accordance with competition standards.
7. If an entry is disqualified after judging is complete, no changes will be made to the status of awards given for other entries.
8. Exhibitors are responsible for obtaining necessary permission from models and/or to use material in their entry that is considered copyrighted.
9. No entry will be accepted should the exhibitor describe the conditions under which he/she will exhibit, or the exhibit will be displayed.
10. Judges are selected for their expertise in the divisions or classes they evaluate. New judges may be appointed each year, and judging assignments may vary annually based on the needs of each competition.
11. If a coordinator or judge deems an entry to be in the incorrect category, division, class, etc., he or she may direct the Entry Office to move that entry as appropriate. The Entry Office may combine divisions or classes to create an adequate judging pool.
12. Fair Management reserves the right to limit entries, and display thereof, to facilities available and to cancel any division or class in which, in its judgment, the entries are insufficient to secure adequate competition.
13. Entries must be delivered on the date(s) and times specified. Entries will not be accepted before or after the stated entry delivery date. All accepted exhibits must remain on display and shall not be removed until the stated entry pick up date. Any exhibit not picked up on the specified date becomes the property of the San Diego County Fair and will be disposed of promptly.
14. All exhibits are entered and shown at the owner's risk. Reasonable care will be taken to prevent loss or damage to exhibits, but in no event will the 22nd District Agricultural Association (San Diego County Fair) be responsible for any injury or loss which may occur or for the actions of third parties. Insurance, if desired, should be obtained by the exhibitor at his/her own expense.
15. Any person who violates any Local, State, or Department rule or displays unethical conduct will forfeit all privileges and premiums and be subject to such penalty as the 22nd District Agricultural Association (San Diego County Fair) may order.
16. To ensure reliable award notification, exhibitors are responsible for submitting all address, phone number and email address updates promptly in writing to

entry@sdfair.com or Entry Department, 2260 Jimmy Durante Blvd, Del Mar, CA 92014.

17. Premium money will be paid per the recorded placings in the official judging reports rather than the ribbon attached to the exhibit.
18. Donated Award recipients will be selected per the instructions given on the Donated Award Confirmation Form submitted by the donor.
19. Premium, donated cash award, and auction checks will be made payable to the exhibitor as listed on the online entry registration. Checks will be mailed within 30 days after the close of the Fair to the address shown on the online entry registration, or as updated by the exhibitor via written notification to the Entry Office. Checks not cashed within six (6) months from the date of issue will be forfeited. Replacement checks may be subject to a stop payment fee.
20. The 22nd District Agricultural Association (San Diego County Fair) is required by the Internal Revenue Service to report any premium payments totaling \$600 or more. Exhibitors whose awards meet or exceed this amount must submit a W-9 form before their check can be issued.
21. The 22nd District Agricultural Association (San Diego County Fair) management reserves the right to amend or add to these rules and assumes no liability or responsibility not herein expressed.

California State Rules apply and are available [here](#).

Use of Artificial Intelligence (AI) Rules

Generative AI (e.g., Midjourney, Stable Diffusion, or other text-to-image or image-to-image apps) is **prohibited** in all divisions and classes.

Moderate use of corrective/enhancement tools and techniques that maintain the integrity of the subject matter and specific category are allowed. These include cropping, color and exposure adjustments, sharpening, noise reduction, healing, cloning, removing, liquifying, layer masking, focus stacking, stitched panoramas, HDR/exposure blending, and infrared.

Photoshop's Generative Fill/Expand may be used as a minor corrective tool (like healing, cloning, and removing) when not significantly altering the primary photographic content. It may **not** be used with text or image prompts to add substantive generated content.

Student Showcase Departments

Drafting and Architectural Design

Fashion

Fine Art – 2D and 3D

Graphic Art

General Technology

Literary Publications

Photography

Science and Engineering

Video and Animation

Entry Limit

One (1) entry per student, per department

Entry Fees

Individual Projects: \$4 per entry

Group Projects: \$25 per entry

Group Projects are only accepted in categories designated “Group Project” in the Division Summary.

Entry fees are payable online with a credit card and are not refundable.

Fair Tickets

Each registering teacher will receive (4) Fair Entry Tickets (at Entry Delivery).

Each participating students will receive (1) Fair Entry Tickets per entry (at Will Call).

How to Enter

1. After reading all entry materials, click the “Enter Now” link below to go to the ShoWorks Entry Homepage.
2. In the Student Showcase, **teachers are the exhibitors**. Teachers (exhibitors) will enter multiple students as individual entries under their registration. Please register as one of the following:
 - A. Individual teacher - Select Exhibitor from the drop-down menu.
 - B. Multiple teachers - Select Quick Group from the drop-down menu, which will allow you to submit entries for a group of teachers (exhibitors) and check out in the same cart.
3. Once registered as either an Exhibitor or a Quick Group for multiple exhibitors, select “Add Entry” to add each student project.
4. Select the appropriate division and class and input the required information. (See “Divisions and Classes” below for a list of all divisions and classes.)
 - A. In the Student Name field, enter the student’s name: First Name Last Name
 - B. In the Description field, provide the following (100-character limit):
 - Subject
 - If applicable, materials and methods

- If applicable, editing programs/techniques used
5. Review all entries before completing registration to ensure that you have entered the correct division and class for each entry.
 6. Click the check-out button and pay for all entries.
 7. Read the confirmation statement and type YES. **Do not click multiple times**, as it will charge you each time.
 8. **A Digital Upload is required for all entries in these departments:**
 - A. 2-Dimensional Fine Art and Photography - Upload entry images AFTER you pay, and before the Digital Entry Upload deadline. (See Digital Image and Video Upload Guidelines). Ensure that project titles match the uploaded images.
 - B. Drafting & Architectural Design, Graphics, and Video – Upload entries to Dropbox per the instructions in the registration confirmation. (See Digital Image and Video Upload Guidelines.)
 9. For Group Projects, submit the Class Roster. (Link to the fillable Class Roster pdf found in applicable department sections.)

If you plan to make changes to your entries or need to leave ShoWorks at any time, SAVE YOUR CART before exiting out.

For additional help with entering and uploading images, review this detailed step-by-step guide:

[Entry Tutorial](#)

Still have questions? Please call or [email the Entry Office](#).

Phone: (858) 792-4207, Monday-Friday, 10am-4pm

Digital Image and Video Upload Guidelines

2-Dimensional Fine Art and Photography

Upload one (1) high quality digital image of each entry, showing only the image (no frame or mat) in the correct orientation, (vertical or horizontal) that gives a complete impression of the artwork.

Image Format for Fair Vault

- Acceptable file formats are .jpeg, .jpg, or .png of **6MB maximum file size**.
- iPhone users must change default HEIC camera setting to JPEG or convert the image.
- RGB color space (CMYK files will be converted to RGB by the system)

- Make sure the images are rotated to the upright position/orientation.
- Images may be in horizontal or vertical orientation.
- No digital enhancement unless allowed in the category.

Drafting & Architectural Design, Graphics and Video & Animation

Upload one (1) high quality file of each entry. Include multiple pages within one pdf file as the division/class requires.

File Format for Dropbox

- Acceptable graphic image format is .pdf only of any size file.
- Acceptable videos formats are .mp4 or iPhone exports in .flv, .wma, or .avi of any size but must adhere to the time limits described in the category.
- **IMPORTANT:** For fair and accurate judging of all Dropbox uploads, file names **must** follow this convention: WEN number (Example: A4C5D3). This is located on your registration confirmation email.

Judging

Drafting & Architectural Design, 2-D Fine Art, Graphics, Photography, and Video & Animation- Judges will use exhibitors' uploaded digital images or videos to judge entries virtually and select award placings.

All other departments/divisions- Judging takes place onsite, where judges view the entries in person and select award placings.

Judging Criteria can be found in each department's section.

Judging Results

Winners of Best in Class, Best of Show, and Donated Awards will be announced at the Student Showcase Awards Reception and posted on the San Diego County Fair's website by the second week of the Fair.

Entry Delivery & Pickup

All entries, except those in Photography Division 4706: Digital Only, must be delivered to the Fairgrounds. Please refer to the Exhibition Timeline for in-person delivery dates. Registering teachers will be emailed additional delivery and pick up instructions including **a map** showing access to the Fairgrounds.

**THE STUDENT SHOWCASE WILL PROVIDE ENTRY TAGS AT ENTRY DELIVERY.
PLEASE ALLOW TIME TO ATTACH ENTRY TAGS TO STUDENT PROJECTS WITH
MATERIALS AND ASSISTANCE PROVIDED BY FAIR STAFF.**

A claim check will be issued to each exhibitor upon entry delivery and must be presented at the time of entry pick up. If an exhibitor is unable to pick up their artwork, they may arrange for another person to bring in their claim check with a signed written authorization from the exhibitor.

How to Prepare Your Entry for Delivery

A Student ID Label must be attached to the back of each entry. The contact information on the label is used to notify students of any awards received and to identify the project in the event the entry tag falls off. **Please use an email address where the student (or student's parent) can be contacted during the summer.**

[Click here for the Student ID Labels template](#)

See Presentation Requirements under each Department.

Awards

The Student Showcase awards 1st, 2nd, and 3rd places using the Danish system of judging where entries are judged against a standard rather than compared to other entries. Best of Class and Best of Show are judged comparatively.

Best of Class and Best of Show-winning exhibitors will receive an invitation to our Student Showcase Awards Reception and free Fair admission for the day of the event.

Each entry will receive one of the following:

1 st , 2 nd or 3 rd Place	Ribbon
Best of Class - Awarded to the top-scoring First Place entry in each class	Rosette*
Best of Show - Awarded to the top-scoring entry in each division.	Rosette*

*Best of Class and Best of Show winners will also receive an Award Certificate at the Student Showcase Awards Reception. (See timeline for date and time.)

Special Awards

Coordinator's Award	Rosette
People's Choice Award - Selected by popular vote of Fair guests	Rosette

Donated Awards: Cash, Gift Card or In-Kind Gift, and Rosette

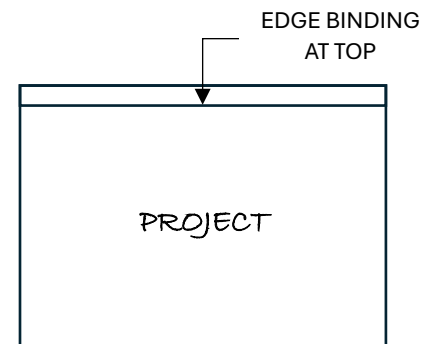

Biggly Media	\$60 Cash Award for Excellence in Visual Arts
San Diego Museum of Art	(4) General Admission Tickets to the San Diego Museum of Art
Mingei International Museum	(3) General Admission Tickets to the Mingei International Museum
San Diego Watercolor Society	\$75 Cash Award for Excellence in Watercolor

Additional Donated Awards may be offered.

DRAFTING & ARCHITECTURAL DESIGN

Presentation Requirements

Drafting and Architectural entries must be printed/mounted on bond/foam core **no larger than D size (24" x 36")** unless otherwise noted. If multiple sheets are required, edge-bind and/or staple on the **top edge** of the set. Provide a short narrative with scope of work on the first page of the project.

DIVISION 4100: Technical Projects

Judging Criteria: General Appearance, Complexity, Layout, Scale, Line Weight/ Function, Accuracy, and Narrative.

Class 001 Technical Drafting

CAD orthographic and pictorial drawings to detail and provide all information required to produce and assemble the object. Include schematic hydraulics, piping layouts, electronic circuits, etc., as applicable. Sheet metal drawings to include flat pattern layout with pictorial model.

Class 002 Technical Illustration

CAD drawings to fully describe an object or process to an uninformed audience. Include a picture or photograph of the object illustrated.

FASHION

Presentation Requirements

Deliver all garments on hangers. Please no mannequins or dress forms. Garments should be durable enough to withstand handling by exhibit workers. Illustrations, textiles, and patterns must be mounted on mat board or foam-core no larger than 16" x 20". Entries must include a write-up that explains the overall concept of the design and target market.

DIVISION 4200: Fashion Projects

Judging Criteria: Design Concept, Originality, Functionality, Craftsmanship, Appearance, Visual Impact, Color Palette, Fabrics, and Write-up.

Class 001 Fashion Design

Completed, originally designed and constructed showing innovation in silhouette, construction, and/or fabric.

Class 002 Costume Design

Completed, originally designed and constructed garments for specific character or performance (may incorporate Fair Theme).

Class 003 Creative Reuse/Unconventional Materials Design

Completed, originally designed garment constructed of at least 80% upcycled, repurposed materials, or unconventional materials.

Class 004 Fashion Illustration

Judging Criteria: Originality, Artistic Merit, Accurate Proportions, Design Elements, and Write-up.

Drawings, sketches, and/or rendering of originally designed garments or footwear innovation in shape, construction, and/or materials.

FINE ART

Judging Criteria: Composition, Impact, Creativity, and Appearance.

Presentation Requirements

Artwork must be freestanding or hangable as described below and be constructed to withstand handling by exhibit workers.

- Maximum size is 24" x 36" (2-D pieces) or 36" on the largest side (3-D pieces), including matting and/or stand.
- Canvases will be hung using Velcro tabs that will be affixed by exhibit workers- no wire needed.
- **No frames, plexiglass, or glass.**
- Mobiles, stained glass, masks, and other 3-D hanging artwork must be equipped with secure hanging point(s). Provide a stand if required for display.

DIVISION 4300: Two-Dimensional Art Projects

- Class 001** Ink (Brush, Pen, or Marker)
- Class 002** Pastel (Oil or Chalk)
- Class 003** Graphite Pencil or Charcoal
- Class 004** Colored Pencil
- Class 005** Acrylic or Tempera Paint
- Class 006** Oil Paint
- Class 007** Watercolor
- Class 008** Collage
- Class 009** Printmaking
- Class 010** Mixed Media or Other Medium(s) not listed

DIVISION 4303: Three-Dimensional Art Projects

- Class 001** Ceramic, Thrown
- Class 002** Ceramic, Other Than Thrown
- Class 003** Masks
- Class 004** Sculpture
- Class 005** Glass
- Class 006** Mosaic Tile
- Class 007** Fiber Arts
- Class 008** Mixed Media or Other Medium(s) not listed

GENERAL TECHNOLOGY

Projects made from assembly kits are not eligible and component parts should be made by the student whenever reasonably possible. Purchased component parts other than hardware items must be identified. Projects constructed with a combination of materials should be entered in the division that represents the project's emphasis.

Judging Criteria: Difficulty, Design, Construction/ Finish/ Craftsmanship, Appearance, and Function.

Presentation Requirements

- Mount small parts on a panel to facilitate handling and showing.
- Provide a stand if required for display.

DIVISION 4400: Metal Projects

Class 001 General Metalwork

Finished metal projects from a variety of materials such as art metal, flat stock sheet metal, casting (mold must be student-made pattern), and processes such as filing, sawing, riveting, forming, soldering, and bending.

Class 002 Welding Processes/ Machine Work

Finished metal projects fabricated by a welding or cutting process. Machine work may include conventional or CNC/ CAM lathe, mill, grinding, punching, etc.

DIVISION 4403: Wood Projects

Class 001 Small Woodworking Projects

Clocks, boxes, lamps, and decorative items.

Class 002 Wood Cabinetry Projects

Furniture pieces that include drawers, doors, or folding mechanisms such as dressers, chests, curio cabinets, or cupboards.

Class 003 Wood Furniture Projects

Furniture pieces that include legs, leaves, or folding mechanisms such as tables, desks, or chairs.

Class 004 Musical Instruments

Wooden musical instruments, including guitars, banjos, flutes, and percussion instruments.

Class 005 Toys

Wood toys with moving parts.

Class 006 Green Projects

Projects made from recycled or repurposed wood materials.

Class 007 Turned Wood Projects

Wood items made using a lathe.

Class 008 Scrolled Projects

Wood projects created using a scroll saw, including letters and signage.

DIVISION 4409: Maker Labs

Class 001 Maker Labs

Innovative projects created with 3-D printing techniques, CNC metal or plastic machining, electronics, and creative technical crafting projects.

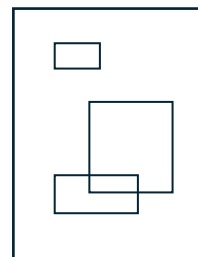

GRAPHICS

Judging Criteria: Artistic Merit, Innovation, Content, Impact, Layout/Composition, Typography, and Image Texture.

Presentation Requirements

Mount artwork on mat board or foam-core of maximum size described under each class. Mat board or foam-core may be repurposed. Mount projects with multiple elements on (1) board not to exceed the maximum size for that class, as shown in the diagram.

MULTI-ELEMENT
PROJECT

DIVISION 4500: Graphic Projects

Class 001 Posters

Entries may range from literal storytelling to metaphorical imagery or abstractions to fit the poster medium.
Maximum size 24" x 36" including mat board.

Class 002 Typography

Logos, letter marks, graphic presentations, where type is used as the main graphic element in the design.
Maximum size 16" x 20" including mat board.

Class 003 Digital Illustration

Artistic 2D images generated with digital tools such as brushes, layers, and color palettes, and techniques such as vector art and digital painting. No photography or generative AI.
Maximum size 16" x 20" including mat board.

Class 004 Image Collage

Assemblage, collage, or montage of images to take on new objectives or meaning for the content.
Maximum size 16" x 20" including mat board.

LITERARY PUBLICATIONS

All entries in Literary Publications are assumed to be group entries.

[Click here](#) to add your class roster

By entering your publication in the San Diego County Fair, you acknowledge that it will be on public display, and that you have confirmed that all minors whose likenesses appear within have received guardian authorization to have those likenesses used in a public setting.

Presentation Requirements

- Yearbooks & Periodicals: One (1) copy of publication from current school year
- Newspapers: Two (2) copies of publication from current school year
- Online Newspaper entries must include an 8.5" x 11" screenshot of the home page mounted on 11" x 14" mat board.

DIVISION 4600: Yearbooks

Judging Criteria: Content and Coverage, Structure and Design, Writing, and Editing.

Class 001 **Schools publishing fewer than 300 books**

Class 002 **Schools publishing 300 to 500 books**

Class 003 **Schools publishing more than 500 books**

DIVISION 4602: Periodicals- All Student Levels

Judging Criteria: Quality of Writing and/or Artwork, Layout, Design, and Organization.

Class 001 **Soft- or Hard-Cover Bound Periodicals**

Magazines, journals, anthologies, song books, poetry books, and other collections of literary forms.

DIVISION 4603: Newspapers

Judging Criteria: Story Quality, Content, Coverage, Layout, and Design.

Class 001 **Printed Newspaper**

Class 002 **Online Newspaper**

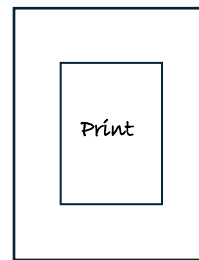

PHOTOGRAPHY

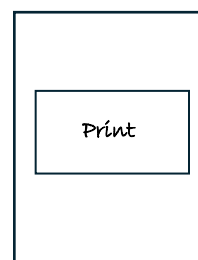

Judging Criteria: Composition, Impact, Technical Quality, and Appearance.

Presentation Requirements

- Prints may be a traditional photographic print or a high-quality digital print. Commercial processing accepted.
- All prints must be mounted on mat board or foam-core that is exactly **16" x 20"**. Mat board must be presented in the **vertical orientation only**, though the print may be mounted in portrait or landscape orientation as shown in the diagrams.
- Mat board or foam-core may be repurposed.
- Mounted artwork must be securely adhered to mount board, foam core, or other backing board. Metal, acrylic, canvas, or other substrates, or frames are *not* allowed.
- Single window matting is allowed. Double or multiple mats are not allowed.
- All mats and mount boards must be **BLACK** or **PURE WHITE**. Ivory, cream, or colored mats or mount boards are not allowed. The mat may have a black outside and white core, or a white outside with a black core.
- Consider your substrate and mounting materials as Velcro or clips may be attached to the mounting substrate for display.

PORTRAIT
ORIENTATION

LANDSCAPE
ORIENTATION

Please see **"Use of Artificial Intelligence (AI) Rules"** for acceptable photo manipulation techniques.

DIVISION 4700: PHOTOGRAPHY

Class 001 People (Formal and Informal), Color or Black & White

Any approach which shows the personality and likeness as well as the mood of the subject. These include candid, formal, couple, small group, or others.

Class 002 Animals, Color or Black & White

The main subject is a domestic animal, pet, wild animal, or insect.

Class 003 Nature, Color or Black & White

Includes plants, flowers and minerals.

Class 004 Landscapes, Color or Black & White

Includes landscapes, seascapes, waterfalls, etc.

- Class 005 Cityscapes, Color or Black & White**
Includes skylines, buildings and architecture.
- Class 006 Action, Color or Black & White**
Shows the creative use of camera shutter speed to stop the action, pan the subject, or to blur the scene.
- Class 007 Macro/Micro, Color or Black & White**
The use of special lenses, filters, or techniques to take extreme close-up images.
- Class 008 Night Scenes, Color or Black & White**
Low-light images of night skies, astrophotography, and images from dawn/dusk.
- Class 009 Machines, Color or Black & White**
Trains, planes, automobiles, farm equipment, and industrial machinery; may include people.
- Class 010 Aerial/Drone Photography, Color or Black & White**
Photos that show a unique point of view.
- Class 011 Still Life, Color or Black & White**
A collection of inanimate objects arranged in a specific way; may include flowers, food, a game, or man-made objects

DIVISION 4703: DIGITALLY ENHANCED PHOTOGRAPHY

- Class 001 Digital Manipulation of a Photograph**
Creative use of digital imaging applications, such as Photoshop or similar programs, to develop artistic interpretations of imagery. This could include creative photographic techniques like posterization, solarization, bas relief, etc.
- Class 002 Digital Photo Composite Image**
Digital combining of images to increase the visual impact or overall quality of the composition. Assemblage, collage, or montage of photographic images to take on new objectives or meaning, while improving or increasing the interest of the image.

DIVISION 4706: PHOTOGRAPHY, DIGITAL ONLY - See Division 4700 for Classes

These entries will be uploaded during registration and DO NOT require an entry delivery. Entries will be displayed on a monitor in the exhibit, with the student's name, division, class and placing.

SCIENCE & ENGINEERING

Presentation Requirements

Submit a notebook or binder containing relevant records. Display significant details of the study on one (1) tri-fold presentation board. Provide models, drawings or samples of the proposed product(s), if applicable. Small parts must be mounted to facilitate handling and display.

Judging Criteria: Innovation, Scientific Rigor, Impact, Documentation, and Presentation.

DIVISION 4800: Science & Engineering Projects - Individual Students

DIVISION 4801: Science & Engineering Projects - Group Projects

[Click here to add your class roster](#)

Class 001 Science Projects

Develop a project demonstrating the scientific method. Include an abstract, hypothesis (for engineering and computer projects- statement of goals), procedure showing sufficient repetition of test/experiments, results, conclusions, and recommendations.

Class 002 Environmental Science and Sustainability Projects

Create an original design to study or tackle a current environmental concern. Examples include (but are not limited to): Designing systems for water purification or desalination, investigating the impact of microplastics on aquatic ecosystems. developing renewable energy prototypes that use wind or solar, assessing the effectiveness of composting methods on soil health, creating biodegradable alternatives to plastics, developing energy-efficient thermal insulation materials, or designing a more aerodynamically efficient vehicle.

Class 003 Computer Science and Technology Projects

Design new technology to resolve an issue of significance. Examples include (but are not limited to): Programming a drone for precision agriculture or environmental monitoring, designing apps to solve everyday problems such as waste management, analyzing big data for trends in climate change or urban development, or developing AI models for facial recognition or language processing.

Class 004 Other Science and Engineering Projects

Create an original design to resolve an issue of significance. Examples include (but are not limited to): Constructing bridges or towers to test for

load-bearing capacity, investigating natural substances for antimicrobial properties, developing wearable technology to monitor vital signs, investigating the efficiency of different catalysts in accelerating chemical reactions, designing a prototype for a Mars habitat, or investigating the properties of materials for use in space.

VIDEO & ANIMATION

Presentation Requirements

- Entries must include a screen shot mounted on 8.5" x 11" mat board or foam-core in the vertical orientation. Boards may be repurposed.
- All screenshots will be displayed in the exhibit. Best of Show winning videos will be played on a continuous loop in the exhibit.
- Video content must be in accordance with the UAE laws and must not be offensive to any person, region, or religion. All videos must adhere to PG-13 Rating guidelines.
- All videos must be no longer than three (3) minutes.

DIVISION 4900: Video Projects

Judging Criteria: Relevance to Theme, Content, Communication, Strategies, and A/V Quality.

Class 001 Documentary

Nonfictional video intended to document some aspect of reality, primarily for the purpose of instruction or to maintain a historical record.

Class 002 Music Video

Visual support or enhancement of the music (any genre) to capture the viewer's attention and imagination.

Class 003 News/ Investigative Reporting

One's own reporting of matters of importance to readers, viewers, or listeners.

Class 004 Public Service Announcement/ Commercial

Inspire people to take action with a persuasive argument. Describe the problem and detail the actions that will bring the desired change.

Class 005 Short Film

A movie that contains elements of comedy, drama, sci-fi, etc.

Class 006 Action Sports

Video shot on handheld or mounted cameras that explore action sports, including underwater. All material must be original and copyright-free.

Class 007 Aerial Production

Video shot from above with the use of aerial drone or other aircraft.

Class 008 Group Production

The subject may be any of the classes listed above.

[Click here to add your class roster](#)

DIVISION 4903: Animation/ Motion Graphics

Judging Criteria: Presentation, Thematic Harmony, Creativity, and Achievement of Objectives.

Class 001 2-D Animation

Animations that entertain, educate, or are lead-ins. Presentations must be self-running.

Class 002 3-D Animation

Animations that entertain, educate, or are lead-ins. Presentations must be self-running.

Class 003 Motion Graphics

Visual communication presentations that incorporate 2-D, 3-D, vector, or bitmapped images in short openings or closings that include typography and imagery.
